

The **PM2-D** mount for dual monitors integrates with a fixed credenza or our monitor carts to provide a solid, secure connection creating a portable roll-about video system. Designed for table height installations, this unit features a camera/codec shelf. The mount's hidden cable channel allows cable passage from the camera platform right down into the cart's interior cabinet. This mount accommodates most 42"-70" displays (200 lbs total max). Quicker, easier installation and 8" taller height over previous generation
