103420 Multimedia Stand

Model 103420 Multimedia Stand

VFI's 103420 multimedia stand is an excellent choice in a roll-about cart for your smaller peripherals. This multi-purpose cart is great for items such as computer monitors, LCD projectors, overhead projectors and laptops. Its flip up shelf is ideal when you need extra space for your laptop or presentation notes. The unit is equipped with multiple cable management ports as well as a rear access door. The cart's interior is engineered to allow easy shelf adjustment and installation of optional 10 space rack rail kit. This cart is shipped fully assembled to save your staff time during installation. Available in black "Fortress" finish.

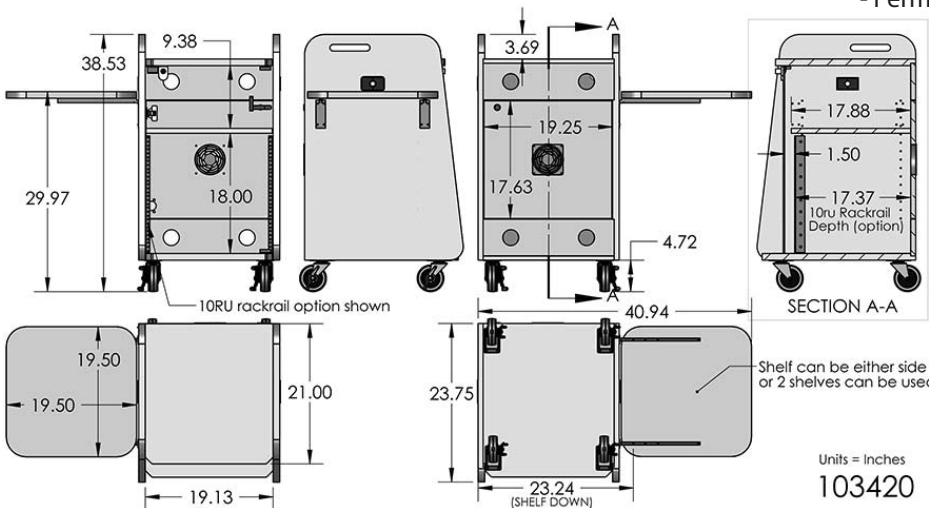

Standard Features Include:

- "Fortress" scratch resistant paint
- Rear door for easy access to equipment stored inside
- Adjustable interior shelf
- Four rear panel cable access ports
- Tinted acrylic door
- Flip up shelf (Can be moved to either side)
- 4" heavy duty casters (2 locking)
- Ships fully assembled
- Permanent construction process
