## Steel Sliding Drawers Metal Products

### Model 9052 Steel Sliding Drawers

Sliding drawers are available in four sizes and feature high quality ball bearing slides, a slam latch to prevent drawer from opening at unwanted times, a fully enclosed top to keep contents in and debris out. Black powder coat finish.

#### Application:

Storage of accessories, CDs, cords, tools, etc.

#### Standard Features Include:

- Four sizes to fit two, three, four or five rack spaces
- 18 ga. CRS chassis with black powder coat finish
- 14 ga. CRS panels: steel with black powder coat finish
- Flush - mount, spring - loaded latch prevents drawer from opening at unwanted times
- Drawer extends a full 14 inches for easy access
- Ball bearing drawer slides with release mechanism
- Key lock available: just specify suffix LK when ordering e.g. 9052 - 2LK

#### Note:

Extendable support bracket also sold separately and can be attached to all VFI drawers.

Please order for brackets only:

- 9052-2 BRK for 2 space
- 9052-3 BRK for 3 space
