

The **TP900-XL** stand for extra large monitors provides a clean platform for a wide range of video conferencing and flat panel display applications. It features a self supporting frame with built in shelves engineered for all common video conference codecs and accessories. The TP900-XL accommodates 60" - 90" displays (160 lbs max). See your display manufacturer website for installation guide or spec to confirm mounting hole locations. The TP900 is 8" taller than the TP800 stand.
