PL3072 Wide Plasma/LCD Stand

Model **PL3072** Wide Plasma/LCD Stand

Need to duplicate the functionality of an OEM dual plasma stand at a more attractive price and have the system roll around from room to room too?

Create it with VFI Model PL3072 wide plasma cart.

Add the optional PM-S or PM-D plasma / LCD mount, and the optional TOA speakers, then you've got a roll-about system ready for your videoconferencing codec and other rack mount electronics.

Perforated metal sides provide maximum ventilation for any electronics mounted in the standard 14RU rack rails as well as conceal mounts for up to 2 TOA panel mount speakers. The PL 3072's wider footprint adds stability for dual monitor configurations and internal space can be optionally configured as dual rackrail sides or dual shelves.

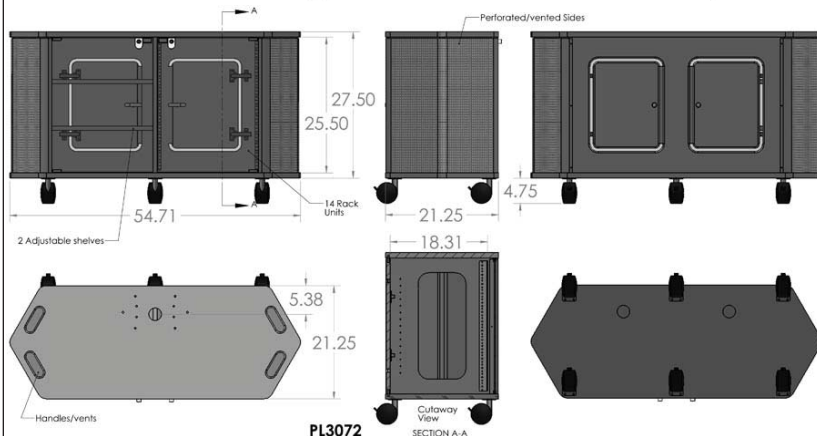

(Shown with mount option)

Standard Features Include:

- Ready for VFI Plasma brackets
- 14 RU rack mount rails on right side (10-32 screws)
- 2 adjustable height shelves on left side
- Acrylic locking front door and locking rear access door
- Ready for optional speakers behind removable side panels
- Perforated metal sides for maximum ventilation
- Widewheel base for added stability
- 6 Premium casters with front wheels locking

Options

- **PM-S** Single plasma/LCD mount
- **PM-D** Dual plasma/LCD mount
- **PM-S-XL** Single large flatscreen mount
- **PM-CVR** Plasma mount base cover
- **MM1232** 12" - 32" LCD mount
- **PB** 6 outlet power bar with 10 ft. cord
- **9107** Lacing bar (19" long)
- 2 TOA speakers, TOA 15 watt amplifier
- VFI rack mount accessories
- Rackrails or shelves for opposite side
