PM-HD-EXP LifeSize® Express™ Mount Option

Model **PM-HD-EXP** LifeSize® Express™ Mount Option for PM-Series

VFI has collaborated with LifeSize® to bring you an all-in-one desktop solution for your LifeSize® Express™ unit.

This modern looking mount houses the express codec, power supply and cables in the rear and up to a 32" LCD TV of your choice.

Camera height is adjustable with either the HD or the LifeSize® Focus cameras.

Easily setup or retrofit your Express system to this desktop configuration in under 10 minutes.

Standard Features Include:

- Heavy duty vandal resistant steel design
- Accommodates 24" - 32" LCD TV of your choice (See our website for suggestions on picking a TV)
- Standard hole patterns of 100x100, 200x100 or 200x200
- Attractive weighted base
- All hardware included
- Adjustable TV and camera height
- Heat management vents out back and top
- Cable management inside for a clean look
- Sets up in minutes with only minor assembly required
- Can be stand alone or integrated with desktop PC
- Heavy duty powder coated finish

Options:

- Check our website for the latest updates
